CAUSE

On September 1, 2018, Sheldon was arrested and charged with aggravated unlicensed operator of a motor vehicle and driving while under the influence of alcohol. These charges are still pending. Additionally, on October 23 and 30, 2018, Sheldon provided urine specimens which tested positive for cocaine. He admitted use and advised that he was also under the influence of alcohol at the time of use. Based on Sheldon's drug

use and recent arrest, it is recommended that the conditions of his supervised release be modified to include substance abuse testing and treatment.
